# The Royal Agricultural Society of WA Brass *Rate Card*

The Royal Agricultural Society of WA Brass is WA's premier brass ensemble and can provide different types of ensembles, or individual performers for many different types of occasions.

We can provide music for serious musical occasions, Oktoberfests or Popular music concerts.

We can also provide background music for formal or informal settings.

We can cater for most musical requests, and if required we can have musical arrangements prepared for an additional fee.

Compere services for the performance can also be arranged.
